SUMMARY

I am Surbieet Kumar, from Samastipur, Bihar. I have completed Matriculation with 60% and Intermediate with 68.2% from BSEB Board, respectively. Currently pursuing B. Tech (CSE) from SVIET College,Chandigarh. My hobbies are playing chess and listening to music in my free time. There are six members in my family, including me, and I have three siblings. My father is a teacher, and my mother is a homemaker. My short-term goal is to learn computer languages like Java and Python, and my long-term goal is to become a professional engineer. My strength is my flexibility and self-confidence. I know the basics about computers. I am an energetic and everyday learn something new.
